Substance of the Interview Conducted on March 31, 2005

An Examiner Interview was conducted via telephone on March 31, 2005. The participants were Examiner Gailene R. Gabel and Applicants' representative Kevin E. Noonan. No exhibits were shown nor demonstrations conducted. All pending claims were discussed. No prior art that was not already of record was discussed. An examiner's amendment of claim 21 was discussed as described on the Interview Summary Form completed by the Examiner. The Examiner argued that claim 21 step b) lacked antecedent basis for "the pixels" and "the cellular area," but agreed to allow the claims if claim 21 was amended. Dr. Noonan authorized the amendment suggested by the Examiner, which was entered by Examiner's amendment, and is contained in the Notice of Allowance.

If Examiner Gabel believes it to be helpful, or disagrees with anything in Applicant's Interview Summary Statement, she is invited to contact the undersigned by telephone at (312) 913-0001.

Respectfully Submitted,

Date: May 6, 2005
